Employment

Live-in Au Pair February 2019-April 2023

Lived with and worked for the Kennedy family for 4 years, helping provide daily care for two young girls (now ages 7&5). Responsibilities included planning age appropriate activities to foster proper development, daily household chores such as cooking/cleaning/laundry, ensuring a smooth and convenient daily flow for the family, and maintaining a healthy family/working dynamic.

Household Cleaner April 2022-April 2023

Cleaned two additional households on a weekly basis, catering to high standards of tidiness and specific household preferences. My familiarity with cleaning materials and my attention to detail allowed me to leave the houses in pristine condition followed by continuous positive feedback.

Live-out Nanny/Babysitter June 2010-September 2018

Worked for various families providing care for their children over a number of years. I have worked with children with ages ranging from 6 months old-11 years old, from multiple cultural and socio-economic backgrounds. Responsibilities included meeting the childrens' needs, managing the families' busy schedules, assisting with education/schoolwork and executing light housekeeping.

Interests and Hobbies

In my free time I love to relax at the beach, go hiking, explore new restaurants, listen to live music, and work out/do yoga. Additionally, I like to organise events and use my creative abilities in order to make DIY projects. I also love to travel and I enjoy visiting new places and learning about different cultures.
