## OBJECTIVE

I am seeking a permanent position as a deckhand on board a motor yacht or sail boat. I am looking to build a long-term career in the yachting industry. I have been a professional golfer for the last 13 years and that consisted of extensive fitness training on and off the golf course. I am very passionate about golf and look forward to portraying the humbling lessons it has taught me. I see myself as a valuable member of my future crew and look forward to my new journey in the yachting industry.
