- ENG1 MEDICAL
- SAFMA FIRE PREVENTION
- LEVEL 1 FIRST AID

Three things that I strongly pursue in my life is responsibility, loyalty, and work ethic. I am looking to maintain a deckhand position on board a motor yacht. I am an open person, ready to grow and improve continuously. I consider myself a people's person and enjoy interacting and learning from different cultures. My strongest attributes are being honest and confidence and having a friendly personality especially in a service industry. I maintain an active lifestyle in terms of performing physical exercises in my free time by myself or in a group. I am trustworthy, dependable, and will always see something through to the end.

I am motivated to work hard in a position that will allow me to reach to my full potential and grow within the service industry. I am looking for the opportunity to advance my training and working skills within the deckhand position alongside professionals, including skills in watersport. Yachting is a long-term career choice.

Something I firmly believe in is: "You have to dream before you dreams come true".

### PERSONALITY TRAITS:

- Adventurous.
- Conscientious.
- Cultured.
- Dependable.
- Optimistic.
- Organizational Skills.
- Can work well under pressure.

### LIFE PHILOSOPHY

*"Hard work beats talent every time"*

### EXTRA-CURRICULAR ACTIVITIES:

#### Volunteer

Feb 2023 - Present  
Cape Town

#### SPCA

Volunteering at the SPCA, it allows me to give back to the community and locals and especially pursuing me passion to help in general and awakens the humanitarian in me. Plus, I take home a lot of new skills, knowledge and practical work experience and it is also a great way to meet people.
