

Alexis

Montgomery-Knight

Junior Stewardess

Career Objective:

My goal is to build a career in yachting. I have worked hard to get to a position where I am able to pursue this. Ideally I am looking for a permanent position however I am open to day work or short term employment to gain experience in the industry. I hope to be within an active and adventurous crew. I am a hard worker reflected through reference and previous employment. I am looking forward to building on my knowledge and learning as much as possible.
