## STEWARDESS

• Currently based in Antibes, France •

I have extensive experience in hospitality, house cleaning, and stewardess temporary work. I have advanced daywork experience on a sail and motor yachts, involving laundry, housekeeping, basic guest service and high level detailing of the boat. I maintain a high standard in punctuality, professionalism, cleanliness and customer service. I am confident working in a fast paced environment and am adaptable to new tasks and situations. My optimistic and dedicated personality has a positive influence in my relationships with both, staff and guest. I am looking for a long-term position to further my skills as a stewardess and become a valuable crew member.
